

Financial Freedom
is your **CHOICE.**

Creating Financial
Freedom is a matter
of developing the right
HABITS.

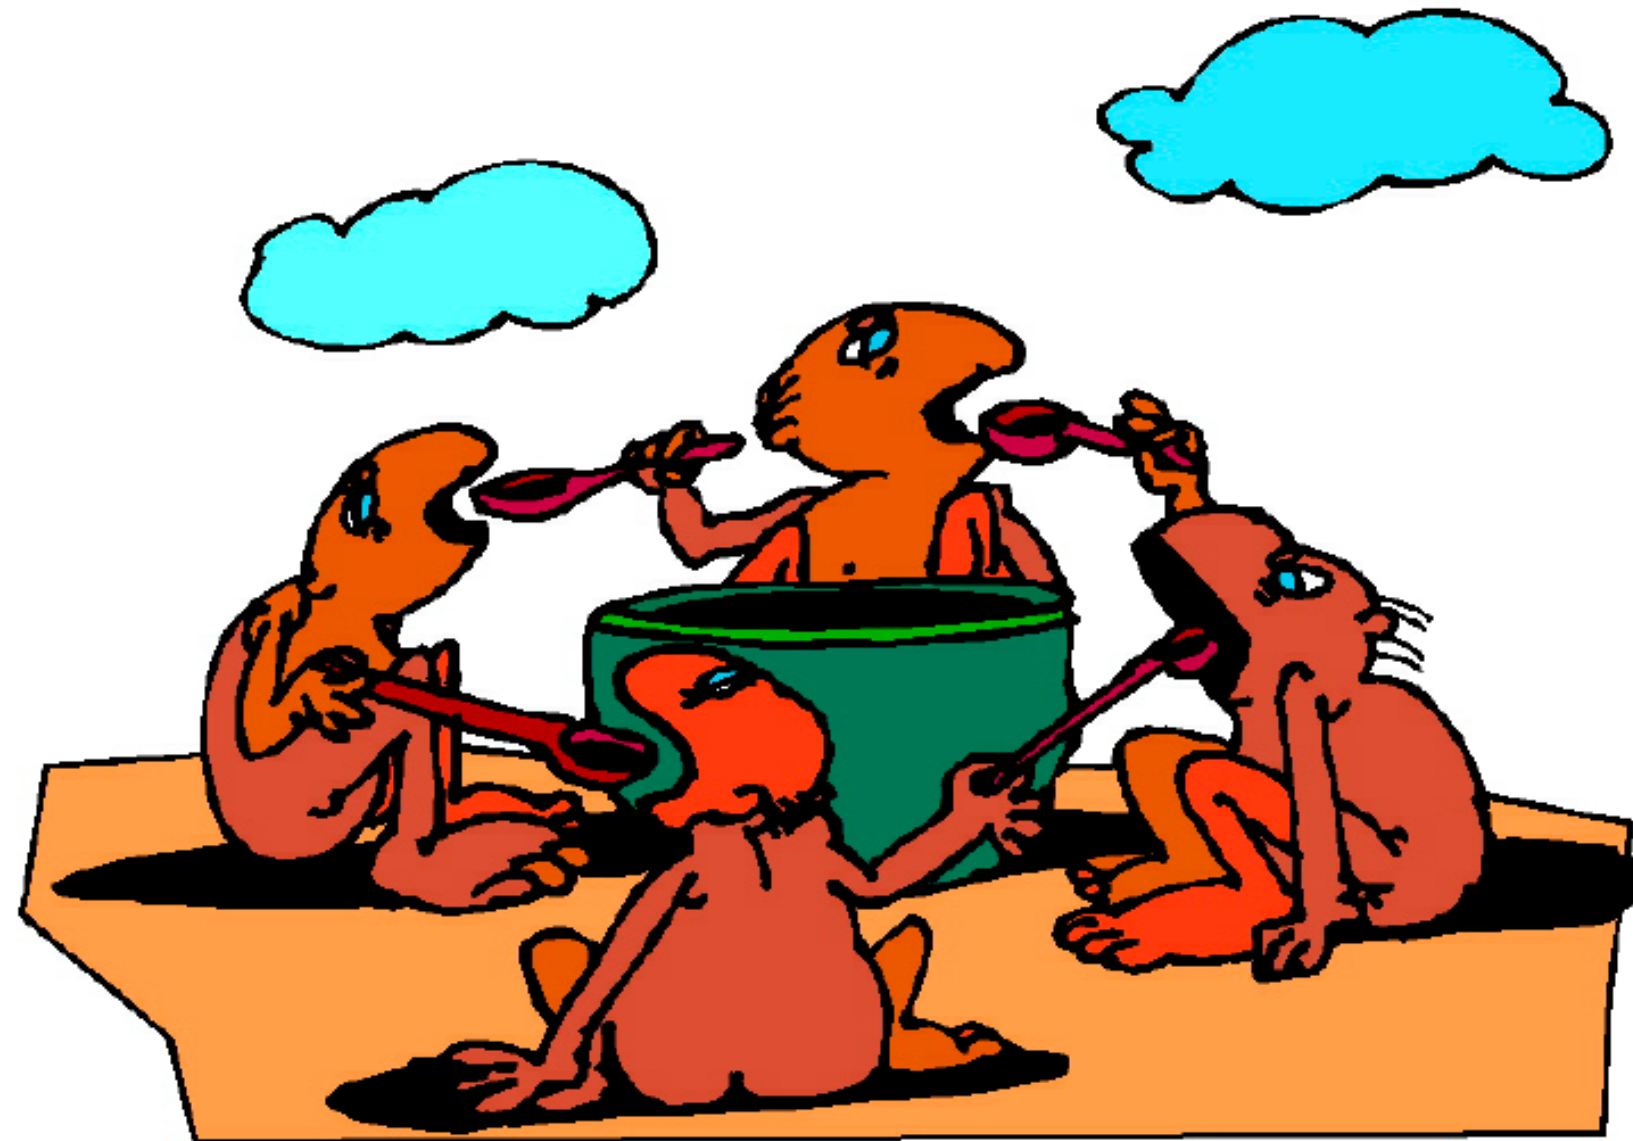

People aren't judged by
their **ABILITIES**, but
by the sum of their
CHOICES.

It is better
to tell your money
where to GO than to
ask where it WENT.

Assets FEED you,
liabilities EAT you.

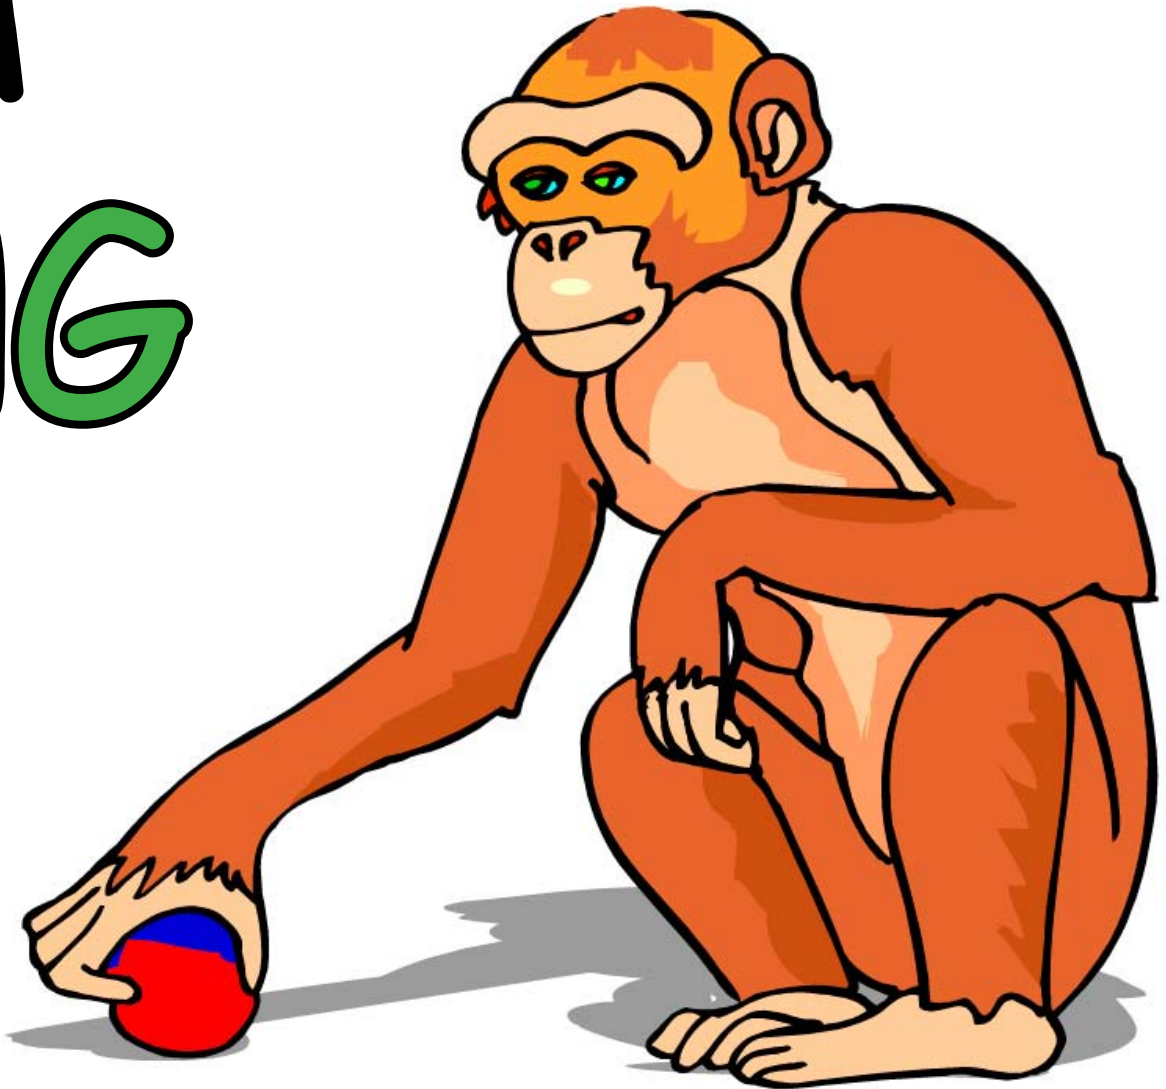

Invest
with your
HEAD not
with your
HEART.

Don't put all your
FINANCIAL
EGGS
into
one basket.

Financial success
comes from
MANAGING
RISK, not
avoiding it.

Save **EARLY**,
Save **OFTEN**.

SEE it, SAY it,
WRITE it down.

It's not how much
money you **MAKE**
that's important,
it's how much
you **KEEP**.

You are the **CEO**
of your own
life; financial
freedom is your
RESPONSIBILITY.

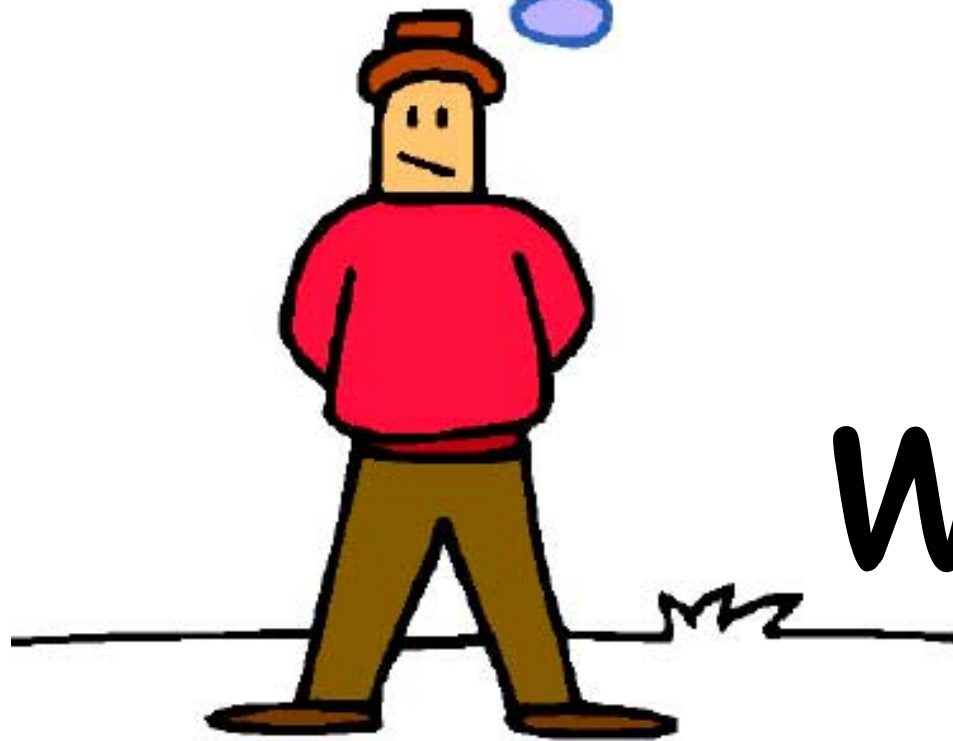

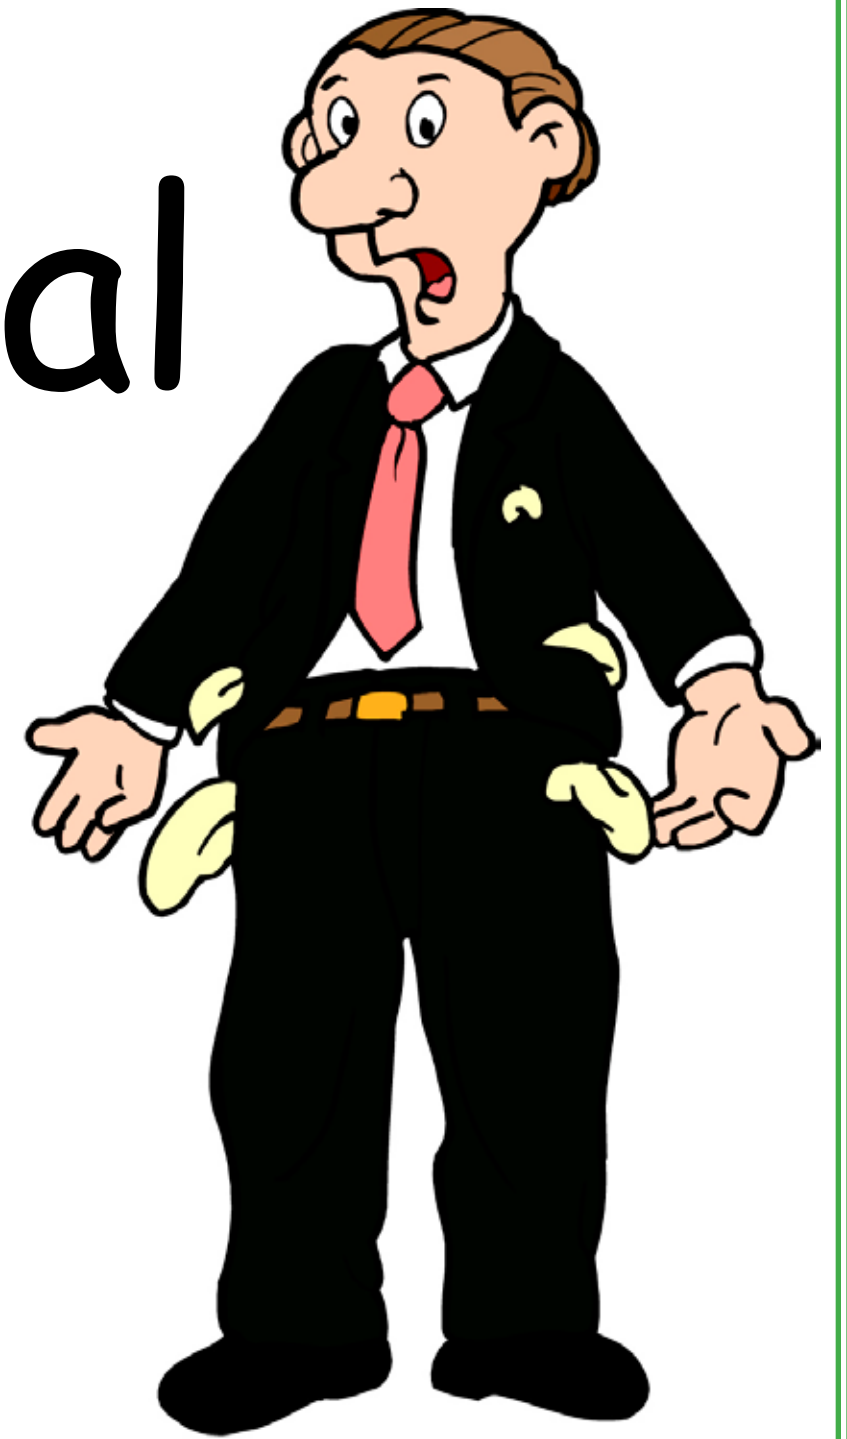

Your

THOUGHTS,
BELIEFS and
ATTITUDES

determine your
wealth potential.

Being **BROKE** is a temporary financial condition, being **POOR** is a state of mind.

Life is an
adventure;
let **PASSION**
be your guide.

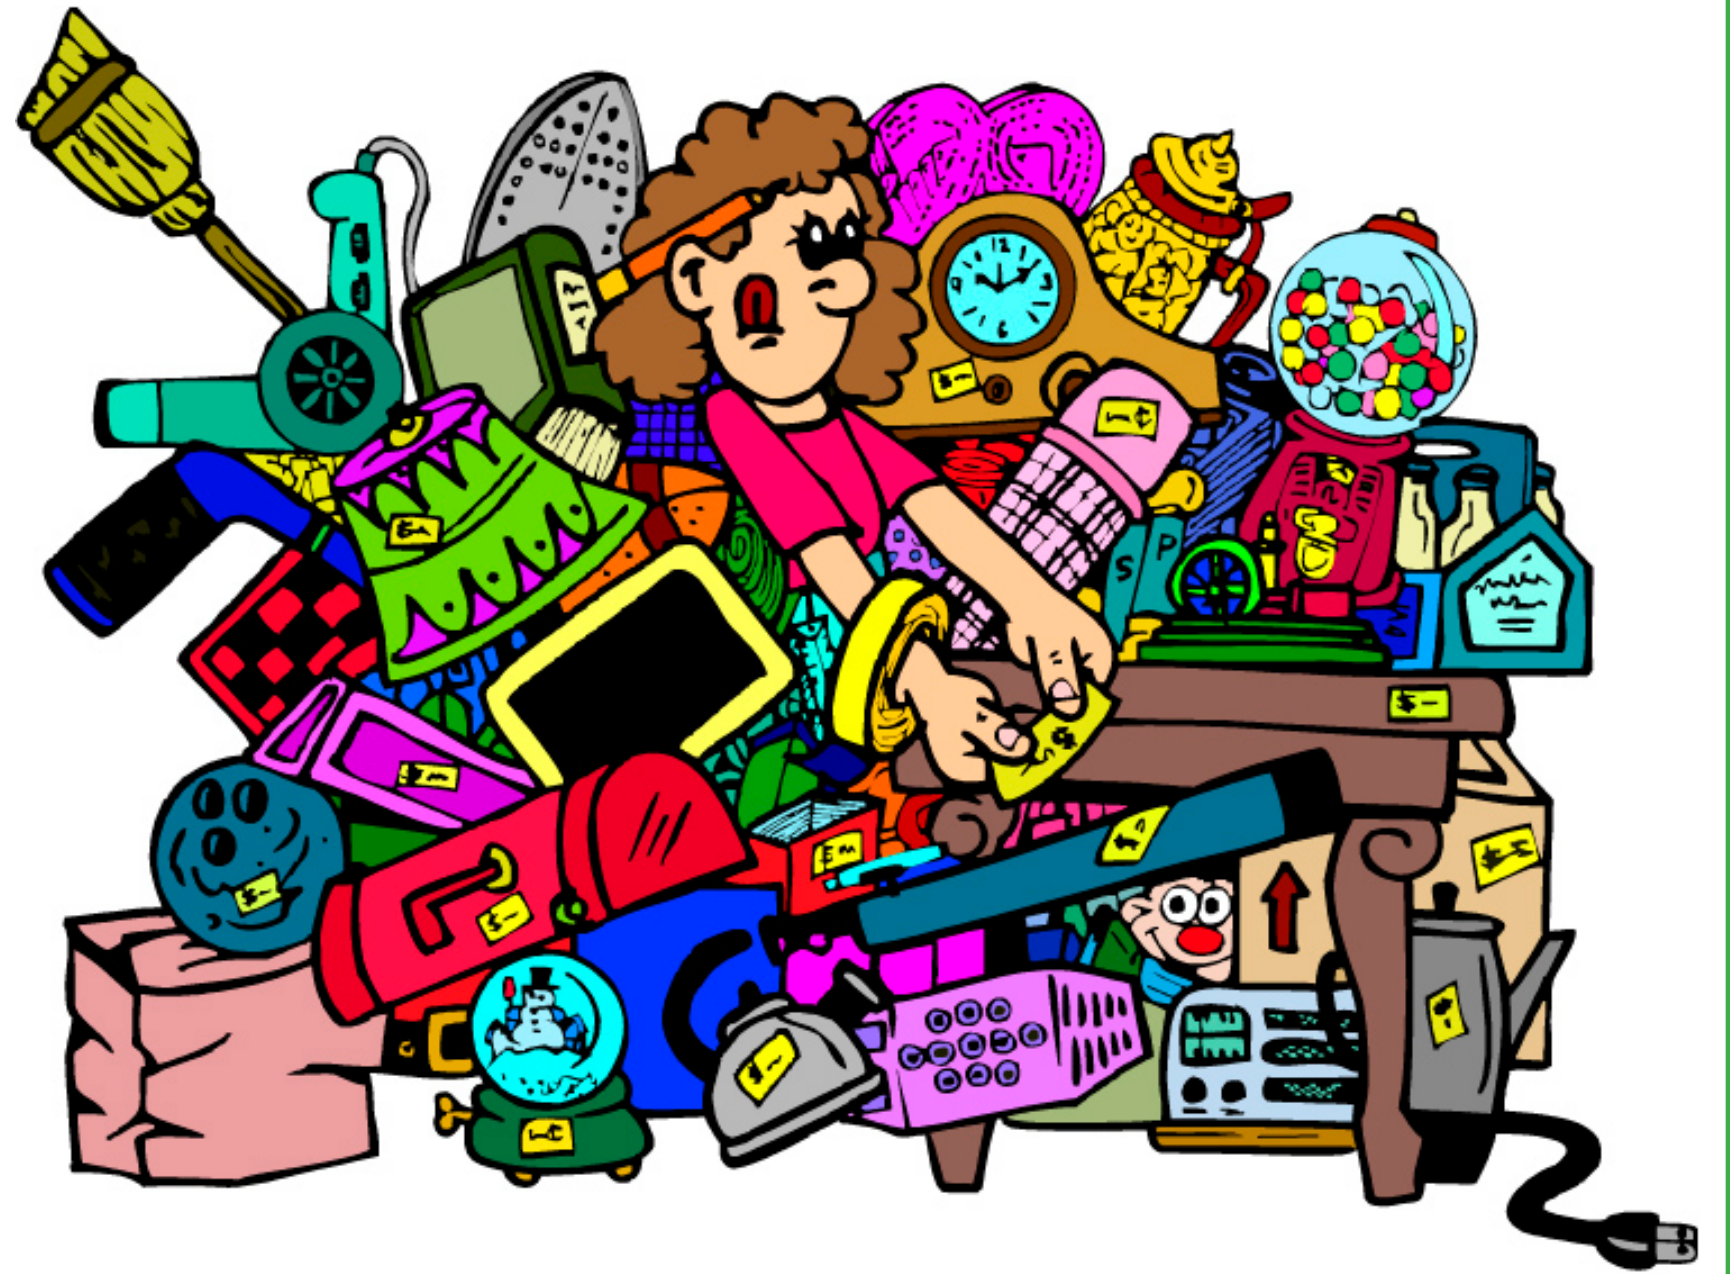

To be financially
successful, learn the
LANGUAGE of money.

Money is
a **TOOL** to
reach your
DREAMS.

Money
buys you
STUFF,
not HAPPINESS.

Make money
GROW by
putting it to
WORK for you.

Pay
Yourself
FIRST.

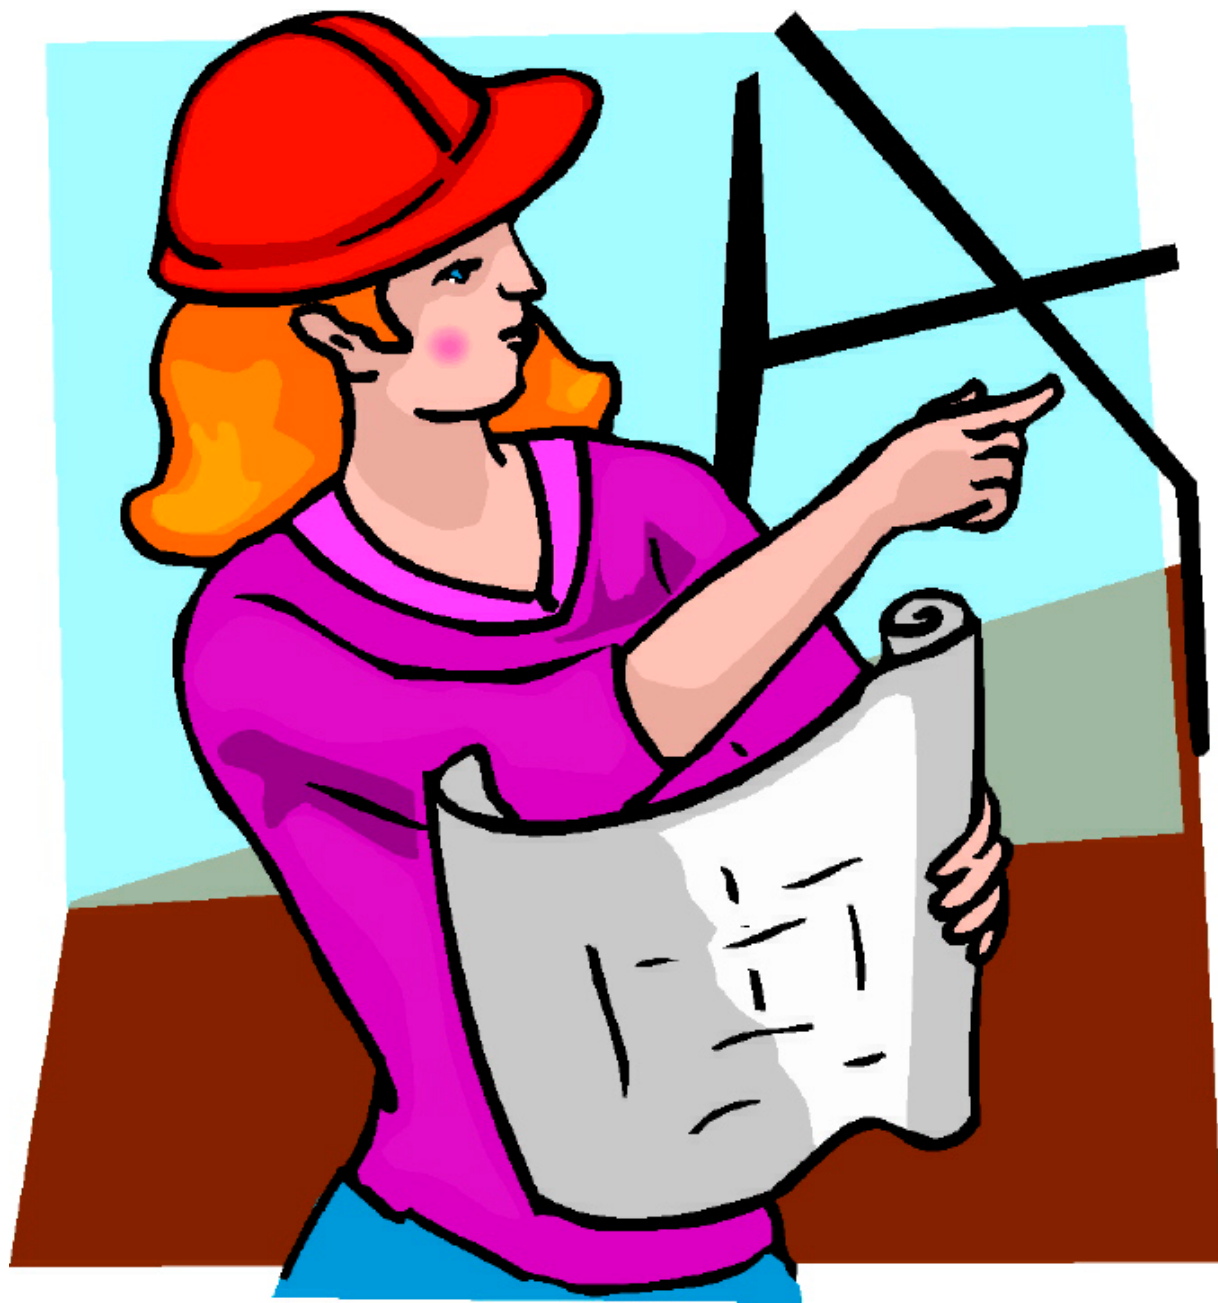

To create
FINANCIAL
FREEDOM,
invest the **ENERGY**
of money wisely.

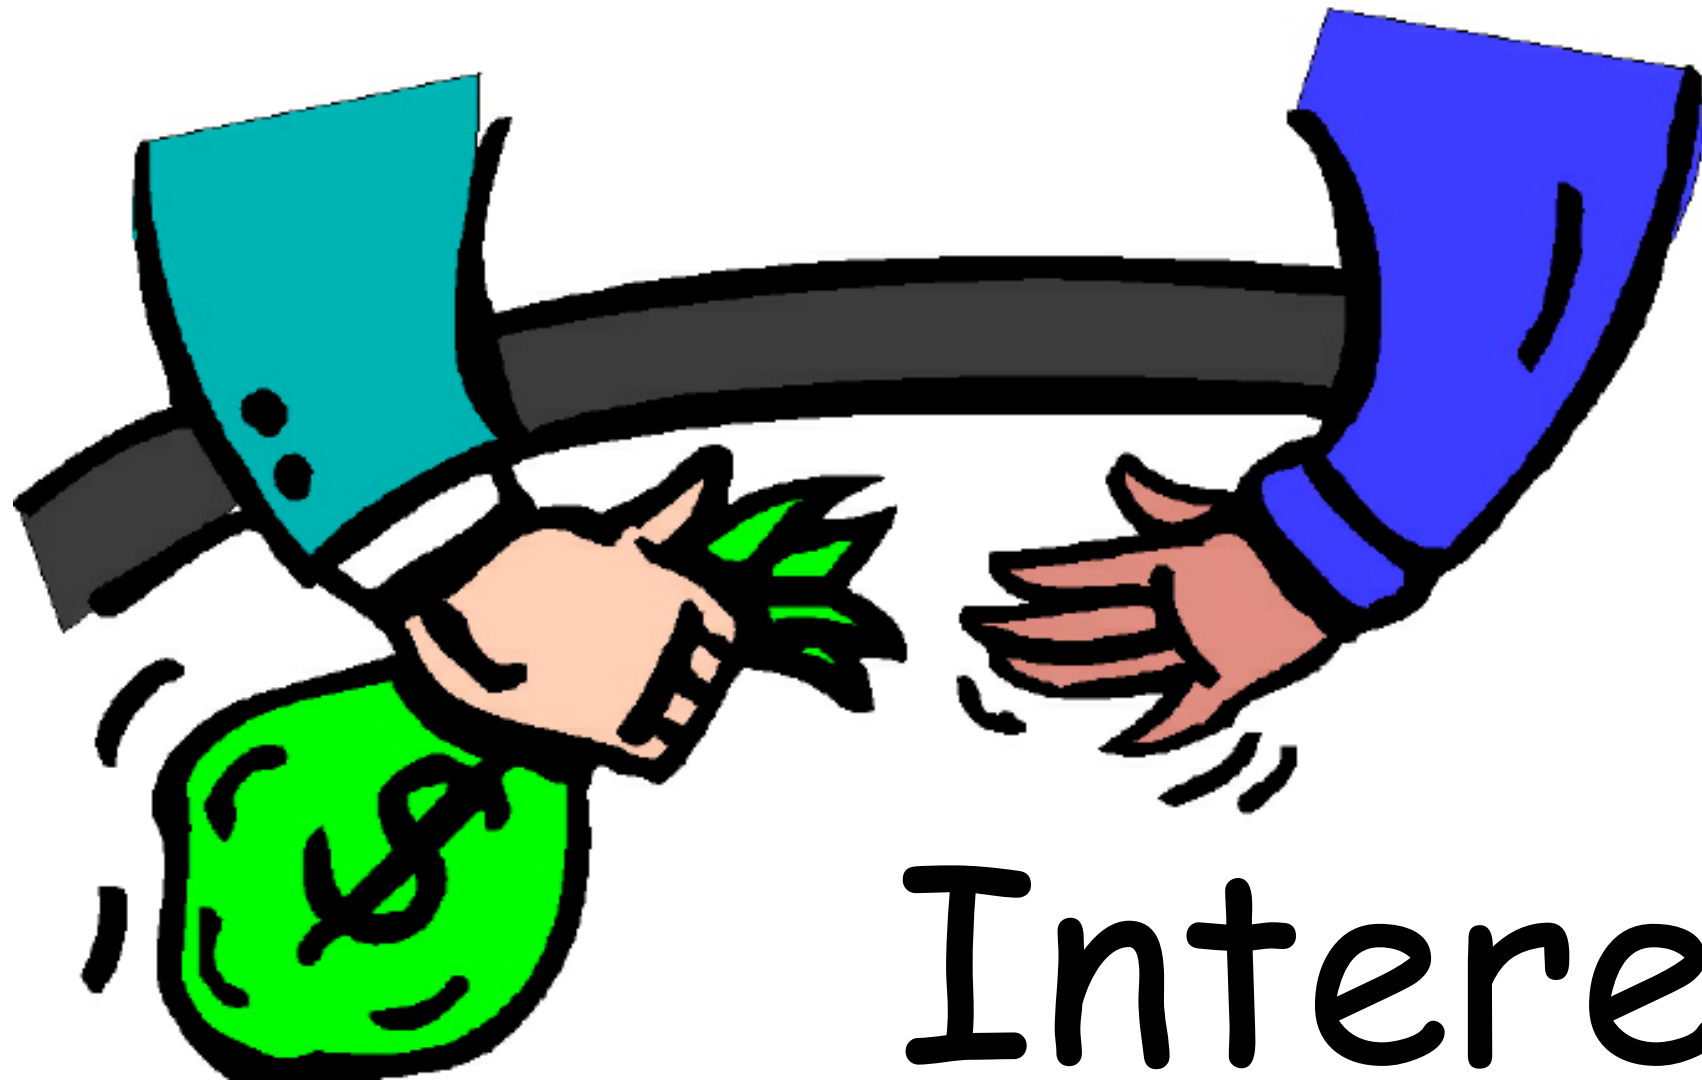

If you can't
afford it in
CASH, you
can't afford
it **AT ALL**.

Most people
don't plan
to fail; they
FAIL to
PLAN.

Interest is only
INTERESTING when
you're **RECEIVING** it.

If you don't
know where
you're going,
ANY ROAD will
take you there.

Only
BORROW
money when
it's going to
MAKE you
money.
